

CONTINUING EDUCATION ON THE PLACEBUILDER

The Division of Planning will be offering additional education opportunities for community stakeholders from March - June 2019, and as requested throughout the year. These workshops will focus on The Placebuilder and how it will function as a tool for future development in Lexington.

The Placebuilder is a document for all types of users. In order to tailor the information according to how the document will be used, we have divided the workshop offerings into two groups: applicants & citizens.
